Search Government Contracts

A policy on the mandatory publication of contracts over \$10,000 was announced by the Government of Canada in 2004 and updated in 2008 to include disclosure of contract amendments valued over \$10,000. For further information on the disclosure of contracts please see the [Guidelines on the Proactive Disclosure of Contracts](#).

Information on contracts issued/amended by or on behalf of federal institutions can be searched here using keyword, institution, quarter, and year. Effective November 2014, contracts awarded by the federal government in will be available for review and updated every three months.

The Treasury Board [Contracting Policy](#) outlines the rules and principles governing government contracting. The objective is to procure contracting of goods and services in a manner that enhances access, competition and fairness and results in best value to Canada. For further information on federal government procurement, please visit [Buyandsell.gc.ca](#).

This site adheres to [Access to Information Act](#) and [Privacy Act](#) requirements.
